Referees? B Dewald Doug Pickering and B1 Bruce.

*Carol, your a very unique individual and I admire you more than anyone I know! Its a pleasure to know you like you for years. I hope you are any more.*

The coaching staff here at Hillcrest High School is among the finest existing anywhere today.

*I hope you are any more.*

Though these men attempt to win every contest they do not believe that this is the most important achievement. The desire towards helping today's youth to be better men tomorrow through sportsmanship, citizenship, and leadership is their predominant purpose.

*I hope you are any more.*

It is through their never-ending devotion to sports that these men work, often after hours, to achieve these goals. They believe that the development of fierce, aggressive competition can be of great value toward practicing these goals. We now stop to salute these SPECIAL MEN because of their achievements toward making our men of tomorrow better able to face life and its problems.

He went bargain hunting. He thought all class rings were alike. He hadn't heard that the official class ring is official because it is made to rigid specifications for the protection of the student body. Neither, apparently, had he heard that it is made by Balfour, the most distinguished creator of fine class rings in the entire world.

A splendid fellow, Smedley. But there are reasons to suspect he is not completely in step with the times.

Dear Carol,  
I've graduated  
and finally  
it just goes to

house. You don't  
forget you!  
I was not  
the main  
idea. I  
it is
